STAFF: SCOTT SPENCE, CITY MANAGER
KELLY ADAMS, MANAGEMENT ANALYST

ACTION: MOTION MADE, SECONDED AND CARRIED BY DEPUTY MAYOR PRATT AND
GREENSTEIN TO FORWARD THE PROPOSAL ON A SEVEN GENERAL MEMBER,
AND ONE YOUTH MEMBER, COMMISSION ON EQUITY IN THE FORM OF AN
ORDINANCE TO FULL CITY COUNCIL FOR FORMAL ADOPTION

Kelly Adams, Management Analyst presented a proposal for a Lacey Commission on Equity.

The City of Lacey is the most ethnically and racially diverse community in Thurston County. In 2019, the City formalized a series of exploratory meetings with civic leaders from underrepresented community groups to discover experiences and develop momentum forward on issues of racial inequity and inclusion. Progress on this effort temporarily paused due to the COVID-19 health pandemic in 2020.

Throughout 2020, Lacey elected officials and staff regularly received requests from the community to address issues of inequity for underrepresented groups locally in response to national, regional, and local events. Work previously initiated with civic

leaders advanced with a draft proposal and recommendation to create an advisory board to the Lacey City Council called the Commission on Equity.

The primary vision of the Commission on Equity will be to support a welcoming and inclusive City for all members of the Lacey community. To support this effort, the Commission will focus on the improvement of equity through inclusion, education, and policy initiatives. The Commission will address and examine the barriers and constraints that limit the full potential of Lacey community members.

Staff confirmed that \$25,000 is already included in the adopted budget for the proposal. Council inquired about incorporating a youth member. Dave Schneider, City Attorney confirmed that a youth member (1-year term) could be in addition to the seven general members.

PUBLIC HEARING:

Mayor Ryder opened the public hearing at 7:03 p.m. to accept public testimony on the Comcast Cable Communications Management-Cable Franchise Agreement Renewal.

Steve Kirkman, Public Affairs Manager, presented the proposed Comcast Cable Communications Management-Cable Franchise Agreement Renewal.

Since 1990, the City of Lacey has granted a series of non-exclusive, 10-year cable television franchises to Comcast Cable Communications Management and its predecessor corporations to operate and maintain a cable television system within the City.

In anticipation of franchise renewal talks with Comcast, in March of 2018, the City entered into an interlocal agreement with Thurston County and the cities of Olympia and Tumwater to share in the cost of hiring cable franchise consultant Kissinger & Fellman, P.C., to assist with negotiation of the new 10-year franchise agreements with the company.

In December 2019, Council approved Ordinance 1562 extending the term of Comcast's current franchise to allow completion of negotiations.

Ken Fellman, Kissinger & Fellman, provided an overview of the agreement. Specific provisions and conditions that have been updated or added in the proposed franchise include:

- Definition of Gross Revenues
- Audit/Financial Review
- Competitive Equity
- Insurance
- Public, Education, and Government (PEG) Fees
- Digital Public, Educational, and Government Channels
- Public, Education, and Government Studio Support

The following public testimony was received:

Deborah Vinsel, Executive Director, Thurston Community Media, provided testimony in support of some of the provisions in the Franchise Agreement Renewal, especially the high-definition channels for PEG operations.

Hans Hechtman, Comcast Cable, provided information on 5G services, which is separate from the services provided by Comcast.

Mayor Ryder closed the public hearing at 7:31 p.m.

RESOLUTIONS:

Jessica Brandt, Associate Planner, presented Council with Resolution 1102 to accept and place the Climate Action Plan on the 2021 Planning Commission Work Program for review and action.

The City Council signed an interlocal agreement with Thurston County, Olympia, and Tumwater in April 2018 to complete Phase 1 of a Regional Climate

Mitigation Plan. Phase 1 focused on assessing existing policies and targets of each jurisdiction for gaps and consistencies, recommending a regional emissions target, identifying each jurisdictions implemented mitigations actions to date, and recommend regional emissions reduction targets.

On October 11, 2018, Council approved an interlocal agreement for Phase 2. In early 2019, the planning process began with Phase 2, which has concluded including the following steps:

1. Develop steering committee and charter
(January 2019)
2. Develop stakeholder advisory committee
(February – March 2019)
3. Engage the general public and develop potential actions list
(July – Sept 2019)
4. Assess potential actions and develop scenarios
(September – June 2019)
5. Develop plan and strategies
(March – July 2020)
6. Engage the general public
(September 2020)
7. Adopt plan and strategies
(October – December 2020)

Upon acceptance of the Thurston Climate Mitigation Plan, the Planning Commission will continue with the formal adoption process under their 2021 work program and follow the Comprehensive Amendment process. The Comprehensive Amendment process includes staff worksessions with the Planning Commission where they will assist in prioritizing actions and engaging the public, and then hold a

public hearing and make a recommendation to Council in July 2021.

A discussion about a Phase 3 interlocal agreement, outlining regional coordination, will be scheduled for a future Council Worksession.

Council accepted public comment limited to one minute per person. The following people spoke in support of the Thurston County Climate Mitigation Plan:

Barbara Scavezze
Robert Jensen
Carolyn Treadway
Nancy Winters
Tish Levee
Phyllis Farrell
Christina Janis
Dr. Jennea Wood

DEPUTY MAYOR PRATT MOVED TO ACCEPT THE THURSTON CLIMATE MITIGATION PLAN AND FORWARD TO THE PLANNING COMMISSION FOR REVIEW AND ACTION. COUNCILMEMBER COX SECONDED.

MOTION CARRIED WITH MAYOR RYDER, DEPUTY MAYOR PRATT, AND COUNCILMEMBERS COX, GREENSTEIN, MILLER, AND STEADMAN VOTING IN FAVOR. COUNCILMEMBER KUNKEL VOTED AGAINST.

ORDINANCES:

Sarah Hock, Executive Director, Joint Animal Services, presented Ordinance 1579 restricting retail sales of dogs, cats, and rabbits in pet stores.

The Joint Animal Services Commission recommends the adoption of an ordinance to restrict the retail sale of dogs, cats, and rabbits in pet stores.

Preemptive ordinances, such as the one the City of Lacey is considering, protect constituents from predatory lending practices pet store's offer and from inadvertently supporting the puppy mill industry.

This legislation would not prohibit individuals who choose to breed their pet and place litters with interested individuals or families.

DEPUTY MAYOR PRATT MOVED TO APPROVE ORDINANCE 1579 RESTRICTING RETAIL SALES OF DOGS, CATS, AND RABBITS IN PET STORES. COUNCILMEMBER KUNKEL SECONDED. MOTION CARRIED.

Ryan Andrews, Planning Manager, presented Ordinance 1580 to approve the Serenity Carpenter Road Annexation, Project No. 20-183.

The City received a petition for annexation filed by Serenity Apartment Homes, LLC and the estate of Patrick Hefferman using the 60 percent petition method (RCW 35A.14.120). The Thurston County Assessor's office has verified that the signatures represent not less than 60 percent of the assessed valuation for general taxation of the property for which the annexation has been petitioned (RCW 35A.01.040). The annexation has been sent to the Thurston County Boundary Review Board (BRB) for their review. The BRB has declined to invoke jurisdiction so the application returns to the Council for final consideration in ordinance form.

Like other recently completed annexations, the annexation will require the assumption of the City's bonded indebtedness except that it specifically waives the City's portion of the bonded indebtedness associated with Fire District 3. This is to prevent the

property owners from paying both the Thurston County fire levy as well as the Lacey fire levy.

Procedurally, the next step is for the City Council to take final action through passage of an ordinance approving the annexation. Upon final ordinance passage, notification of the annexation is sent to affected agencies and the annexation certification process will be completed.

DEPUTY MAYOR PRATT MOVED TO APPROVE ORDINANCE 1580 APPROVING THE SERENITY CARPENTER ROAD ANNEXATION PROJECT NO. 20-183. COUNCILMEMBER STEADMAN SECONDED. MOTION CARRIED.

Scott Spence, City Manager, presented Council with Ordinance 1580 regarding a proposed Commission on Equity, adding a new chapter to the Lacey Municipal Code, codifying the creation of the commission and affirming the City of Lacey's commitment to equity and inclusion.

The primary vision of the Commission on Equity will be to support a welcoming and inclusive City for all members of the Lacey community. To support this effort, the Commission will focus on the improvement of equity through inclusion, education, and policy initiatives. The Commission will address and examine the barriers and constraints that limit the full potential of Lacey community members.

MAYOR RYDER MOVED TO APPROVE ORDINANCE 1580 APPROVING THE PROPOSAL OF A SEVEN MEMBER COMMISSION ON EQUITY. COUNCILMEMBER GREENSTEIN SECONDED. MOTION CARRIED.

Scott Spence, City Manager, presented Ordinance 1582 to amend LMC 2.04 relating to the City Council meeting schedule.

As per Lacey Municipal Code, Chapter 2.04, regular meetings are held on the second and fourth Thursdays of each calendar month with the exception of the months of January, November, and December of each calendar year. City Council Worksessions are held on Thursdays but occur on the first and third Thursdays of each calendar month with the exception of January, November, and December of each calendar year. During the months of January, November, and December, regular meetings are held on the first and third Thursdays and Worksessions are held the second and fourth Thursdays. Historically, the current meeting schedule was put in place to ensure regular meetings did not get canceled due to holidays in November and December.

For consistency and to avoid confusion when regular meetings and Worksessions are to be held for the public's business, an amendment is proposed to fix regular meetings of the City Council on the first and third day of each month of each calendar year. The amendment would establish the second and fourth Thursdays of each month for Worksessions.

COUNCILMEMBER STEADMAN MOVED TO APPROVE ORDINANCE 1582 AMENDING LMC 2.04 RELATING TO CITY COUNCIL MEETINGS. COUNCILMEMBER KUNKEL SECONDED. MOTION CARRIED.

MAYOR'S REPORT:

Mayor Ryder recommended the reappointment of Amy Blondin and Scott Robinson to the Lacey Library Board.

MAYOR RYDER MOVED TO REAPPOINT AMY BLONDIN AND SCOTT ROBINSON TO THE LACEY LIBRARY BOARD. COUNCILMEMBER GREENSTEIN SECONDED. MOTION CARRIED.

Mayor Ryder presented the proposed changes to the Intergovernmental Boards and Commission assignments.

COUNCILMEMBER COX MOVED TO APPROVE COUNCIL ASSIGNMENTS TO INTERGOVERNMENTAL BOARDS AND COMMISSIONS. DEPUTY MAYOR PRATT SECONDED. MOTION CARRIED.

CITY MANAGER'S REPORT: Ryan Andrews, Planning Manager, presented the Mosure 54th Avenue Annexation Project No. 20-312.

The City has received a notice of intent to commence annexation proceedings filed by Patty Mosure for a single parcel located on 54th Avenue SE. The filing of the notice is the first step in the annexation process under the petition method (RCW 35A.14.120), which requires a petition filed by property owners representing a minimum of 10% of the valuation of the area proposed for annexation. The City has verified that the ownership does comprise a minimum of more than 10% of the assessed valuation for general taxation purposes of the properties for which annexation is requested.

As a result of the petition, the City Council must pass a motion notifying the petitioners of its approval, rejection, or modification of the annexation area's geographical boundaries. If the Council votes to approve the 10% petition, then the applicant moves

forward on obtaining a petition from a total of 60% of the assessed valuation of the area.

The City Council does have the opportunity to modify any boundaries prior to the applicant proceeding with the annexation. The only area that the annexation could be expanded into would be the existing Forest Glen subdivision to the east. Staff is not recommending that the annexation be expanded to include this area because the City does not hold any power of attorney agreements for the Forest Glen parcels which would require a significant number of Forest Glen property owners to sign a petition for annexation.

If the Council votes to approve the petition, then the applicant moves forward on obtaining a petition from a total of 60% of the assessed valuation of the area. Once the City receives the 60% petition, the City can move forward on annexation proceedings.

Staff recommends Council review the annexation request under the 60% petition method and pass a motion indicating the following:

1. Authorize the applicants to circulate a petition and gather signatures of property owners representing at least 60% of the assessed value of the annexation property demonstrating their consent to annex;
2. Require the assumption of all or of any portion of existing City indebtedness by the area to be annexed; and
3. Waive the requirement for completion of an annexation study in accordance with the City's annexation policies prior to adoption of an ordinance to formally annex the area or make application to the Boundary Review Board.

COUNCILMEMBER STEADMAN MOVED TO APPROVE MOSURE 54TH AVENUE ANNEXATION PROJECT NO. 20-312, WHICH INCLUDES:

1. AUTHORIZE THE APPLICANTS TO CIRCULATE A PETITION AND GATHER SIGNATURES OF PROPERTY OWNERS REPRESENTING AT LEAST 60% OF THE ASSESSED VALUE OF THE ANNEXATION PROPERTY DEMONSTRATING THEIR CONSENT TO ANNEX;
2. REQUIRE THE ASSUMPTION OF ALL OR OF ANY PORTION OF EXISTING CITY INDEBTEDNESS BY THE AREA TO BE ANNEXED; AND
3. WAIVE THE REQUIREMENT FOR COMPLETION OF AN ANNEXATION STUDY IN ACCORDANCE WITH THE CITY'S ANNEXATION POLICIES PRIOR TO ADOPTION OF AN ORDINANCE TO FORMALLY ANNEX THE AREA OR MAKE APPLICATION TO THE BOUNDARY REVIEW BOARD.

COUNCILMEMBER GREENSTEIN SECONDED.
MOTION CARRIED.

February 4, 2021

SUBJECT: Ordinance No. 1583: Franchise Agreement between City of Lacey and Comcast Cable Communications Management

RECOMMENDATION: Motion to adopt Ordinance No. 1583, approving a non-exclusive 10-year franchise agreement between the City of Lacey and Comcast Cable Communications Management, LLC, authorizing Comcast to operate a cable television system within the City of Lacey.

STAFF CONTACT: Scott Spence, City Manager 
Steve Kirkman, Public Affairs Manager

1. [Proposed Ordinance No. 1583](#)
2. [Proposed 2021-2031 Cable Franchise Agreement between the City of Lacey and Comcast Cable Communications LLC](#)
3. [Letter of Agreement Regarding PEG Access Studio Location](#)

FISCAL NOTE: The proposed ordinance and franchise agreement maintain the City's ability to collect franchise and Public, Education, and Government (PEG) fees as allowed under federal law. Franchise fees collected by the City exceed \$700,000 annually; PEG fees collected by the City exceed \$36,000 annually.

PRIOR REVIEW: January 21, 2021 - City Council Meeting and Public Hearing

BACKGROUND

Since 1990, the City of Lacey has granted a series of non-exclusive, 10-year cable television franchises to Comcast Cable Communications Management and its predecessor corporations to operate and maintain a cable television system within the City.

In anticipation of franchise renewal talks with Comcast, in March of 2018, the City entered into an interlocal agreement with Thurston County and the cities of Olympia and Tumwater to share in the cost of hiring cable franchise consultant Kissinger & Fellman, P.C. to assist with negotiation of new 10-year franchise agreements with the company.

In December 2019, the City Council approved Ordinance 1562 extending the term of Comcast's current franchise to allow completion of negotiations.

On January 21, 2021, the Lacey City Council held a public hearing on the proposed franchise. Ken Fellman of Kissinger and Fellman, and Hans Hechtman, Senior Director of Government and Regulatory Affairs for Comcast, provided information and responded to questions from the City Council. Deborah Vinsel, CEO of Thurston Community Media, made comments in support of the proposed cable franchise. No other public comments were made during the hearing or received via other means by the city.

Franchise Document Overview

In general, the proposed new franchise provides standards under which Comcast Cable can construct cable infrastructure within the city's rights-of-way, identifies the compensation owed to the City of Lacey for the direct use of the city's rights-of-way, and outlines conditions for the continued support of local access cable television. The franchise also provides a process to address violations during the term of the agreement.

Local government is limited in its authority to regulate certain aspects of cable services provided to residents. Namely, local government does not have the authority to determine cable rates. The United States Congress, through the passage of cable legislation, grants cable operators the authority to determine the final price of cable television services.

Another limitation is in the arena of cable channels. Local government does not have the right to require cable providers to offer specific channels or compel the cable operator to offer the purchase of individual channels — sometimes referred to as *à la carte*. These limitations are important in the context of reviewing the cable franchise as a whole.

Also important to note is that a cable franchise may only address the provision of cable (video) services. Local governments are preempted from collecting franchise fees related to the provision of internet or telephone services.

Specific provisions and conditions that have been updated or added in the proposed franchise include:

- **Definition of Gross Revenues.** Comcast pays a franchise fee to the city in an amount equal to five percent of the gross revenues generated from the provision of cable services. The definition of gross revenues has been amended to ensure the City's franchise fee fully compensates for the use of public rights-of-way permitted under federal law.
- **Audit/Financial Review.** New language has been added that will allow for more accurate monitoring and audit of future franchise fee payments.
- **Competitive Equity.** Competitive equity provisions generally provide that the City can enter into a competitive franchise with any other operator on any terms and conditions it chooses, but if those provisions are more favorable than in Comcast's franchise, Comcast has the ability to force the City to change the terms of its own franchise to match the terms offered to the new competitor.

- **Insurance.** Following input from the Washington Cities Insurance Authority (WCIA), more protective insurance requirements have been added.
- **Public, Education, and Government (PEG) Fees.** With ninety (90) days' notice from the City, the existing thirty cents (\$0.30) per subscriber monthly PEG fee can be increased to up to fifty cents (\$0.50) per subscriber. Eligible PEG expenditures include production equipment and studio facilities. PEG fees can be treated by Comcast as an external cost, and therefore be itemized on subscribers' monthly billing statements.
- **Digital Public, Educational, and Government (PEG) Channels.** Provision of high-definition (HD) channels for PEG operations has been added. The new franchise provides for government and most other PEG programming to be shown simultaneously on HD and standard-definition (SD) PEG channels. The franchise continues the ability for each jurisdiction to have its local PEG content shown on PEG channels in the other jurisdictions.
- **Public, Education, and Government (PEG) Studio Support.** Comcast has provided studio space to the City's designated community access provider, Thurston Community Media (TCM), for more than two decades but is not required to do so under current federal law. Comcast has given notification to the City that studio lease support for TCM will end on December 1, 2021. This will likely lead to an increased cost of providing local access programming. Internal discussions are underway to review options that will address this eventuality.

Potential Impact of Section 621 FCC Order on Franchise Fees

In August 2019, the Federal Communications Commission (FCC) issued an order regarding implementation of Section 621 of the Cable Communications Policy Act of 1984, which could dramatically change the way the Federal Cable Act is interpreted regarding calculation of franchise fees. The FCC's order suggests that the retail value of cable service provided to public buildings and the value of other franchise benefits could be deducted from franchise fee payments, or alternatively, could be paid for separately by the local government granting the franchise. The order is being appealed in federal court by numerous local governments across the country, including the City of Lacey. The case is fully briefed; oral arguments are expected to be scheduled in mid-2021.

ADVANTAGES:

1. The proposed franchise provides standards and practices necessary for the protection of the City's public rights-of-way.
2. The proposed franchise provides compensation for use of the City's public rights-of-ways.
3. The proposed franchise provides high-definition (HD) channels for PEG operations.

4. The proposed franchise provides an option to increase PEG fees by up to sixty-seven percent, from thirty cents (\$0.30) per subscriber per month to up to fifty cents (\$0.50), resulting in potential PEG fee revenues of up to \$62,000 annually.

DISADVANTAGES:

1. Comcast studio lease support for public, education, and government programming activities will sunset on December 1, 2021, which could increase the operational costs of providing local access programming.

(B) Nothing in this Franchise shall be deemed to waive the lawful requirements of any generally applicable Grantor ordinance existing as of the Effective Date, as defined in subsection 2.3.

(C) Each and every term, provision or condition herein is subject to the provisions of State law, federal law, and generally applicable ordinances and regulations enacted by the City Council pursuant thereto, portions of which may be codified in the Municipal Code. To the extent there is any conflict between this Franchise and any provision of the Grantor's Code as it exists on the Effective Date of this Franchise, the terms of this Franchise shall control. Subject to the Grantor's right to exercise its police power under Section 2.5, the Grantor may not unilaterally alter the material rights and obligations of Grantee under this Franchise.

(D) This Franchise shall not be interpreted to prevent Grantor from imposing additional conditions for use of the Rights-of-Way, as allowed by Applicable Law should Grantee provide service other than Cable Service, nor shall this Franchise be interpreted to either prevent or authorize Grantee from making any other lawful uses of the Cable System as permitted by Applicable Law related to Grantee's non-Cable Service operations.

(E) Grantee agrees, as a condition of exercising the privileges granted by this Franchise, that any Affiliate of the Grantee directly involved in the offering of Cable Service in the Franchise Area, or directly involved in the management or operation of the Cable System in the Franchise Area, will also comply with the terms and conditions and obligations of this Franchise.

(F) No rights shall pass to Grantee by implication. Without limiting the foregoing, by way of example and not limitation, this Franchise shall not include or be a substitute for:

(1) Any other permit or authorization required for the privilege of transacting and carrying on a business within the Franchise Area that may be required by the ordinances and laws of the Grantor;

(2) Any permit, agreement, or authorization required by the Grantor for Right-of-Way users in connection with operations on or in Rights-of-Way or public property including, by way of example and not limitation, street cut permits; or

(3) Any permits or agreements for occupying any other property of Grantor or private entities to which access is not specifically granted by this Franchise including, without limitation, permits and agreements for placing devices on poles, in conduits or in or on other structures.

(G) This Franchise is intended to convey limited rights and interests only as to those Rights-of-Way in which Grantor has an actual interest. It is not a warranty of title or interest in any Right-of-Way; it does not provide the Grantee with any interest in any particular location within the Right-of-Way; and it does not confer rights other than as expressly provided in the grant hereof.

2.2 Use of Rights-of-Way

(A) Subject to Grantor's supervision and control, Grantee may erect, install, construct, repair, replace, reconstruct, and retain in, on, over, under, upon, across, and along the Rights-of-Way within the Franchise Area such wires, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System within the Franchise Area.

(B) Grantee must follow Grantor established nondiscriminatory requirements for placement of Cable System facilities in Rights-of-Way, including the specific location of facilities in the Rights-of-Way, and must in any event install Cable System facilities in a manner that minimizes interference with the use of the Rights-of-Way by others, including others that may be installing communications facilities. Within limits reasonably related to Grantor's role in protecting public health, safety and welfare, Grantor may require that Cable System facilities be installed at a particular time, at a specific place or in a particular manner as a condition of access to a particular Right-of-Way; may deny access if Grantee is not willing to comply with Grantor's requirements; and may remove, or require removal of, any facility that is not installed by Grantee in compliance with the requirements established by Grantor, or which is installed without prior Grantor approval of the time, place or manner of installation, and charge Grantee for all the costs associated with removal.

2.3 Effective Date and Term of Franchise

This Franchise and the rights, privileges and authority granted hereunder shall take effect

on _____, 2021 (the “Effective Date”), and shall terminate on _____, 2031 unless terminated sooner as hereinafter provided.

2.4 Franchise Nonexclusive

This Franchise shall be nonexclusive, and subject to all prior rights, interests, easements, or licenses granted by the Grantor to any Person to use any property, Right-of-Way, right, interest or license for any purpose whatsoever, including the right of Grantor to use the same for any purpose it lawfully deems fit, including the same or similar purposes allowed Grantee hereunder. Grantor may at any time grant authorization to use the Rights-of-Way for any purpose not incompatible with Grantee's authority under this Franchise and for such additional franchises for Cable Systems, as Grantor deems appropriate.

2.5 Police Powers

Grantee's rights hereunder are subject to the police powers of Grantor to adopt and enforce ordinances necessary to the safety, health, and welfare of the public, and Grantee agrees to comply with all laws and ordinances of general applicability enacted, or hereafter enacted, by Grantor or any other legally constituted governmental unit having lawful jurisdiction over the subject matter hereof. Grantor shall have the right to adopt, from time to time, such ordinances as may be deemed necessary in the exercise of its police power; provided that such hereinafter enacted ordinances shall be reasonable and not materially modify the terms of this Franchise. Any conflict between the provisions of this Franchise and any other present or future lawful exercise of Grantor's police powers shall be resolved in favor of the latter.

2.6 Competitive Equity

(A) The Grantee acknowledges and agrees that Grantor reserves the right to grant one (1) or more additional franchises or other similar lawful authorization to utilize the Rights-of-Way in order to provide Cable Services within the Franchise Area. If Grantor grants such an additional franchise or other similar lawful authorization to utilize the Rights-of-Way for Cable Services containing material terms and conditions that differ from Grantee's material obligations under this Franchise, or declines to require such franchise or other similar lawful authorization where it has the legal authority to do so, then Grantor agrees that the obligations in this Franchise will, pursuant to the process set forth in this Section, be amended to include any material terms or conditions that it imposes upon the new entrant, or provide relief from existing material terms or conditions, so as to insure that the regulatory and financial burdens on each entity are materially equivalent. “Material terms and conditions” include, but are not limited to: Franchise Fees and Gross Revenues; complementary services; insurance; System build-out requirements; security instruments; Public, Education and Government Access Channels and support; customer service standards; required reports and related record keeping; competitive equity (or its equivalent); audits; dispute resolution; remedies; and notice and opportunity to cure breaches. The parties agree that this provision shall not require a word for word identical franchise or authorization for a competitive entity so long as the regulatory and financial burdens on each entity are materially equivalent.

(B) The modification process of this Franchise as provided for in Section 2.6 (A) shall

only be initiated by written notice by the Grantee to Grantor regarding specified franchise obligations. Grantee's notice shall address the following: (1) identifying the specific terms or conditions in the competitive cable services franchise which are materially different from Grantee's obligations under this Franchise; (2) identifying the Franchise terms and conditions for which Grantee is seeking amendments; (3) providing text for any proposed Franchise amendments to Grantor, with a written explanation of why the proposed amendments are necessary and consistent. Notwithstanding any modification of this Franchise pursuant to the provisions of this subsection 2.6, should any entity, whose authorization to provide Cable Services or similar video programming service resulted in a triggering of the amendments under this Section, cease to provide such services within the City, the City may provide ninety (90) days' written notice to Grantee of such fact, and the City and Grantee shall enter into good faith negotiations to determine which of the original terms, conditions and obligations of this Franchise shall be reinstated and fully effective.

(C) Upon receipt of Grantee's written notice as provided in Section 2.6 (B), Grantor and Grantee agree that they will use best efforts in good faith to negotiate Grantee's proposed Franchise modifications, and that such negotiation will proceed and conclude within a ninety (90) day time period, unless that time period is reduced or extended by mutual agreement of the parties. If Grantor and Grantee reach agreement on the Franchise modifications pursuant to such negotiations, then Grantor shall amend this Franchise to include the modifications.

(D) In the alternative to Franchise modification negotiations as provided for in Section 2.6 (C), or if Grantor and Grantee fail to reach agreement in such negotiations, Grantee may, at its option, elect to replace this Franchise by opting into the franchise or other similar lawful authorization that Grantor grants to another provider of Cable Services (with the understanding that Grantee will use its current system design and technology infrastructure to meet any requirements of the new franchise), so as to insure that the regulatory and financial burdens on each entity are equivalent. If Grantee so elects, Grantor shall immediately commence proceedings to replace this Franchise with the franchise issued to the other multi-channel video programming provider.

(E) Notwithstanding anything contained in this Section 2.6(A) through (D) to the contrary, Grantor shall not be obligated to amend or replace this Franchise unless the new entrant makes Cable Services or similar video programming service available for purchase by Subscribers or customers under its franchise agreement with Grantor.

(F) Notwithstanding any provision to the contrary, at any time that a wireline facilities-based entity, legally authorized by state or federal law, makes available for purchase by Subscribers or customers, Cable Services or multiple Channels of video programming within the Franchise Area without a franchise or other similar lawful authorization granted by the City that permits a new entrant to utilize the Rights of Way granted by Grantor, then:

(1) Grantee may negotiate with Grantor to seek Franchise modifications as per Section 2.6(C) above; or

(a) the term of Grantee's Franchise shall, upon ninety (90) days written notice from Grantee, be shortened so that the Franchise shall be deemed to expire on a date

eighteen (18) months from the first day of the month following the date of Grantee's notice and Grantee shall be deemed to have timely invoked the renewal process under 47 USC 546; or,

- (b) Grantee may assert, at Grantee's option, that this Franchise is rendered "commercially impracticable," and invoke the modification procedures set forth in Section 625 of the Cable Act.

For the purposes of this section, a "wireline facilities-based entity" means an entity, including the Grantor that owns, controls or manages a significant portion of the wireline facilities located in the Grantor's Rights-of-Way, over which the video programming services are delivered.

2.7 Familiarity with Franchise

The Grantee acknowledges and warrants by acceptance of the rights, privileges and agreements granted herein, that it has carefully read and fully comprehends the terms and conditions of this Franchise and is willing to and does accept all lawful and reasonable risks of the meaning of the provisions, terms and conditions herein. The Grantee further acknowledges and states that it has fully studied and considered the requirements and provisions of this Franchise, and finds that the same are commercially practicable at this time, and consistent with all local, State, and federal laws and regulations currently in effect, including the Cable Act.

2.8 Effect of Acceptance

By accepting the Franchise, the Grantee: (1) acknowledges and accepts Grantor's legal right to issue and enforce the Franchise; (2) accepts and agrees to comply with each and every provision of this Franchise subject to Applicable Law; and (3) agrees that the Franchise was granted pursuant to processes and procedures consistent with Applicable Law, and that it will not raise any claim to the contrary.

SECTION 3. FRANCHISE FEE PAYMENT AND FINANCIAL CONTROLS

3.1 Franchise Fee

As compensation for the benefits and privileges granted under this Franchise and in consideration of permission to use Grantor's Rights-of-Way, Grantee shall continue to pay as a Franchise Fee to Grantor, throughout the duration of and consistent with this Franchise, an amount equal to five percent (5%) of Grantee's Gross Revenues.

3.2 Payments

Grantee's Franchise Fee payments to Grantor shall be computed quarterly for the preceding calendar quarter ending March 31, June 30, September 30, and December 31. Each quarterly payment shall be due and payable no later than forty-five (45) days after said dates.

3.3 Acceptance of Payment and Recomputation

No acceptance of any payment shall be construed as an accord by Grantor that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim Grantor may have for further or additional sums payable or for the performance of any other obligation of Grantee. The period of limitation for recovery of Franchise Fees payable hereunder shall be six (6) years from the date on which payment by the Grantee was due or such shorter period if required by Applicable Law.

3.4 Quarterly Franchise Fee Reports

Each payment shall be accompanied by a written report to Grantor, or concurrently sent under separate cover, verified by an authorized representative of Grantee, containing an accurate statement in summarized form, as well as in detail, of Grantee's Gross Revenues and the computation of the payment amount. Such reports shall detail all Gross Revenues of the Cable System.

3.5 Annual Franchise Fee Reports

Grantee shall, within ninety (90) days after the end of each year, furnish to Grantor a statement stating the total amount of Gross Revenues for the year and all payments, deductions and computations for the period.

3.6 Audits

On an annual basis, upon thirty (30) days prior written notice, Grantor, including Grantor's Auditor or his/her authorized representative, shall have the right to conduct an independent audit/review of Grantee's records reasonably related to the administration or enforcement of this Franchise. Pursuant to subsection 1.28, as part of the Franchise Fee audit/review Grantor shall specifically have the right to review relevant data related to the allocation of revenue to Cable Services in the event Grantee offers Cable Services bundled with non-Cable Services. For purposes of this section, "relevant data" shall include, at a minimum, Grantee's records, produced and maintained in the ordinary course of business, showing the subscriber counts per package and the revenue allocation per package for each package that was available for Grantor subscribers during the audit period. To the extent that Grantor does not believe that the relevant data supplied is sufficient for Grantor to complete its audit/review, Grantor may require other relevant data. For purposes of this Section 3.6, the "other relevant data" shall generally mean all: (1) billing reports, (2) financial reports (such as General Ledgers) and (3) sample customer bills used by Grantee to determine Gross Revenues for the Franchise Area that would allow Grantor to recompute the Gross Revenue determination. If the audit/review shows that Franchise Fee payments have been underpaid by five percent (5%) or more, Grantee shall pay the total cost of the audit/review, such cost not to exceed five thousand dollars (\$5,000) for each year of the audit period, with such amount to increase upon the annual anniversary of the Effective Date, by an amount equal to the most recent semi-annual Seattle-Tacoma-Bellevue CPI-U as published by the US Department of Labor, Bureau of Labor Statistics. The Grantor's right to audit/review and Grantee's obligation to retain records necessary to complete any audit under this subsection shall expire consistent with the applicable statute of limitations period under State law; provided, however, that this would not

apply to a time period covered under a pending audit.

3.7 Late Payments

In the event any quarterly Franchise Fee payment is not received within forty-five (45) days from the date the payment was due to the Grantor, Grantee shall pay interest on the amount due in the amount of one percent (1%) per month (twelve percent (12%) per annum) on any unpaid balance of the Franchise Fee due, until all payments due are paid in full. Any unpaid fee or interest due under this Franchise that remains unpaid shall constitute a debt to the Grantor, collectible in accordance with the Grantor Code.

3.8 Underpayments and Overpayments

If a net Franchise Fee underpayment is discovered as the result of an audit, Grantee shall pay interest as applicable for late payments under Section 3.7 of this Franchise, calculated from the date each portion of the underpayment was originally due until the date Grantee remits the underpayment to the Grantor. If an overpayment is discovered, Grantee may take an offset against future Franchise Fee payments, with no interest or other cost to the Grantor.

3.9 Alternative Compensation

In the event the obligation of Grantee to compensate Grantor through Franchise Fee payments is lawfully suspended or eliminated, in whole or part, then Grantee shall comply with any other Applicable Law related to the right to occupy the Grantor's Rights-of-Way and compensation therefor.

3.10 Maximum Legal Compensation

The parties acknowledge that, at present, applicable federal law limits Grantor to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that at any time during the duration of this Franchise, Grantor is authorized to collect an amount in excess of five percent (5%) of Gross Revenues, then this Franchise may be amended unilaterally by Grantor to provide that such excess amount shall be added to the Franchise Fee payments to be paid by Grantee to Grantor hereunder, provided that the Grantor adopts such increase at a public hearing and Grantee has received at least ninety (90) days prior written notice from Grantor of such amendment, so long as all cable operators in the Franchise Area are paying the same Franchise Fee amount.

3.11 Additional Commitments Not Franchise Fee Payments

(A) The PEG Capital Contribution pursuant to Section 9.6, as well as any charges incidental to the awarding or enforcing of this Franchise (including, without limitation, payments for bonds, security funds, letters of credit, insurance, indemnification, penalties or liquidated damage) and Grantee's costs of compliance with Franchise obligations (including, without limitation, compliance with customer service standards and build out obligations) shall not be offset against Franchise Fees. Furthermore, the Grantor and Grantee agree that any local tax of general applicability shall be in addition to any Franchise Fees required herein, and there shall be

no offset against Franchise Fees. Notwithstanding the foregoing, Grantee reserves all rights to offset cash or non-cash consideration or obligations from Franchise Fees, consistent with Applicable Law. The Grantor likewise reserves all rights it has under Applicable Law. Should Grantee elect to offset the items set forth herein, or other Franchise commitments such as complimentary Cable Service, against Franchise Fees in accordance with Applicable Law, including any Orders resulting from the FCC's 621 proceeding, MB Docket No. 05-311, Grantee shall provide the Grantor with advance written notice. Such notice shall document the proposed offset or service charges so that the Grantor can make an informed decision as to its course of action. Upon receipt of such notice Grantor shall have up to one hundred twenty (120) days to either (1) maintain the commitment with the understanding that the value shall be offset from Franchise Fees; (2) relieve Grantee from the commitment obligation under the Franchise; or (3) pay for the services rendered pursuant to the commitment in accordance with Grantee's regular and nondiscriminatory term and conditions.

(B) Grantee's notice pursuant to Section 3.11(A) shall, at a minimum, address the following: (1) identify the specific cash or non-cash consideration or obligations that must be offset from Grantee's Franchise Fee obligations; (2) identify the Franchise terms and conditions for which Grantee is seeking amendments; (3) provide text for any proposed Franchise amendments to the Grantor, with a written explanation of why the proposed amendments are necessary and consistent with Applicable Law; (4) provide all information and documentation reasonably necessary to address how and why specific offsets are to be calculated and (5) if applicable provide all information and documentation reasonably necessary to document how Franchise Fee offsets may be passed through to Subscribers in accordance with 47 U.S.C. 542(e). Nothing in this Section 3.11(B) shall be construed to extend the one hundred twenty (120) day time period for Grantor to make its election under Section 3.11(A); provided however, that any disagreements or disputes over whether sufficient information has been provided pursuant to this Paragraph (B) may be addressed under Sections 13.1 or 13.2 of this Franchise.

(C) Upon receipt of Grantee's written notice as provided in Section 3.11 (B), the Grantor and Grantee agree that they will use best efforts in good faith to negotiate Grantee's proposed Franchise modifications and agree to what offsets, if any, are to be made to the Franchise Fee obligations. Such negotiation will proceed and conclude within a one hundred twenty (120) day time period, unless that time period is reduced or extended by mutual agreement of the parties. If the Grantor and Grantee reach agreement on the Franchise modifications pursuant to such negotiations, then the Grantor shall amend this Franchise to include those modifications.

(D) If the parties are unable to reach agreement on any Franchise Fee offset issue within one hundred twenty (120) days or such other time as the parties may mutually agree, each party reserves all rights it may have under Applicable Law to address such offset issues.

(E) The Grantor acknowledges that Grantee currently provides one outlet of Basic Service and Digital Starter Service and associated equipment to certain Grantor owned and occupied or leased and occupied buildings, schools, fire stations and public libraries located in areas where Grantee provides Cable Service. For purposes of this Franchise, "school" means all State-accredited K-12 public and private schools. Outlets of Basic and Digital Starter Service provided in accordance with this subsection may be used to distribute Cable Services throughout such buildings, provided such distribution can be accomplished without causing Cable System

disruption and general technical standards are maintained. Grantee's commitment to provide this service is voluntary, and may be terminated by Grantee, at its sole discretion.

(1) Grantee's termination of complimentary services provided shall be pursuant to the provisions of Section 3.11(A)-(D) above. Grantor may make a separate election for each account or line of service identified in the notice (for example, Grantee may choose to accept certain services or accounts as offsets to Franchise Fees, and discontinue other services or accounts), so long as all elections are made within one hundred twenty (120) days. Grantee shall also provide written notice to each entity that is currently receiving complimentary services with copies of those notice(s) sent to the Grantor.

(2) Notwithstanding the foregoing, Grantee reserves all rights to offset cash or non-cash consideration or obligations from Franchise Fees, consistent with Applicable Law. The Grantor likewise reserves all rights it has under Applicable Law.

(F) The parties understand and agree that offsets may be required and agreed to as a result of the FCC's Order in what is commonly known as the 621 Proceeding, MB Docket No. 05-311, and that this Order is on appeal. Should there be a final Order in the appeal of the 621 Proceeding, which would permit any cash or non-cash consideration or obligations to be required by this Franchise without being offset from Franchise Fees, or would change the scope of the Grantor's regulatory authority over the use of the rights-of-way by the Grantee, the parties shall, within one hundred twenty (120) days of written notice from the Grantor, amend this Franchise to reinstate such consideration or obligations without offset from Franchise Fees, and to address the full scope of the Grantor's regulatory authority.

3.12 Tax Liability

Payment of the Franchise Fees under this Franchise shall not exempt Grantee from the payment of any other license fee, permit fee, tax or charge on the business, occupation, property or income of Grantee that may be lawfully imposed by Grantor. Any other license fees, taxes or charges shall be of general applicability in nature and shall not be levied against Grantee solely because of its status as a Cable Operator, or against Subscribers, solely because of their status as such.

3.13 Financial Records

Grantee agrees to meet with a representative of Grantor upon request to review Grantee's methodology of record-keeping, financial reporting, the computing of Franchise Fee obligations and other procedures, the understanding of which Grantor deems necessary for reviewing reports and records.

3.14 Payment on Termination

If this Franchise terminates for any reason, the Grantee shall file with Grantor within ninety (90) calendar days of the date of the termination, a financial statement, certified by an independent certified public accountant, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year. Grantor reserves the right to satisfy any remaining financial obligations

of the Grantee to Grantor by utilizing the funds available in the letter of credit or other security provided by the Grantee.

SECTION 4. ADMINISTRATION AND REGULATION

4.1 Authority

(A) Grantor shall be vested with the power and right to reasonably regulate the exercise of the privileges permitted by this Franchise in the public interest, or to delegate that power and right, or any part thereof, to the extent permitted under Federal, State and local law.

(B) Nothing in this Franchise shall limit nor expand Grantor's right of eminent domain under State law.

4.2 Rate Discrimination

All of Grantee's rates and charges shall be published (in the form of a publicly available rate card) and be non-discriminatory as to all Persons and organizations of similar classes, under similar circumstances and conditions. Grantee shall apply its rates in accordance with Applicable Law, with identical rates and charges for all Subscribers receiving identical Cable Services, without regard to race, color, ethnic or national origin, religion, age, sex, sexual orientation, marital, military or economic status, or physical or mental disability or, where consistent with any requirements of Federal law, geographic location within the Franchise Area. Nothing herein shall be construed to prohibit:

(A) The temporary reduction or waiving of rates or charges in conjunction with valid promotional campaigns; or,

(B) The offering of reasonable discounts to senior citizens or economically disadvantaged citizens; or,

(C) The offering of rate discounts for Cable Service; or,

(D) The Grantee from establishing different and nondiscriminatory rates and charges and classes of service for Commercial Subscribers, as allowable by federal law and regulations.

4.3 Filing of Rates and Charges

(A) Throughout the term of this Franchise, Grantee shall maintain on file with Grantor a complete schedule of applicable rates and charges for Cable Services provided under this Franchise. Nothing in this subsection shall be construed to require Grantee to file rates and charges under temporary reductions or waivers of rates and charges in conjunction with promotional campaigns.

(B) Upon request of Grantor, Grantee shall provide a complete schedule of current rates and charges for any and all Leased Access Channels, or portions of such Channels, provided by Grantee. The schedule shall include a description of the price, terms, and conditions established

by Grantee for Leased Access Channels.

4.4 Cross Subsidization

Grantee shall comply with all Applicable Laws regarding rates for Cable Services and all Applicable Laws covering issues of cross subsidization.

4.5 Reserved Authority

Both Grantee and Grantor reserve all rights they may have under the Cable Act and any other relevant provisions of federal, State, or local law.

4.6 Time Limits Strictly Construed

Whenever this Franchise sets forth a time for any act to be performed by Grantee, such time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a breach of this Franchise, and sufficient grounds for Grantor to invoke any relevant remedy in accordance with Section 13.1 of this Franchise.

4.7 Franchise Amendment Procedure

Except as otherwise provided in Section 2.6, either party may at any time seek an amendment of this Franchise by so notifying the other party in writing. Within thirty (30) days of receipt of notice, Grantor and Grantee shall meet to discuss the proposed amendment(s). If the parties reach a mutual agreement upon the suggested amendment(s), such amendment(s) shall be submitted to the City Council for its approval. If so approved by the City Council and the Grantee, then such amendment(s) shall be deemed part of this Franchise. If mutual agreement is not reached, there shall be no amendment.

4.8 Performance Evaluations

(A) Special evaluation sessions may be held at any time upon request by Grantor during the term of this Franchise.

(B) All evaluation sessions shall be open to the public.

(C) Topics that may be discussed at any evaluation session may include those issues surrounding the terms, conditions and obligations of the Franchise, provided that nothing in this subsection shall be construed as requiring the renegotiation of this Franchise or any term or provision therein and further provided that this subsection need not be followed before other legal or equitable remedies within this Franchise.

4.9 Late Fees

(A) For purposes of this subsection, any assessment, charge, cost, fee or sum, however characterized, that the Grantee imposes upon a Subscriber solely for late payment of a bill is a late fee and shall be applied in accordance with the customer service standards described in Section

6.1 or any Grantor customer service standards, as the same may be adopted and amended from time to time by the City Council acting by ordinance or resolution, or as the same may be superseded by legislation or final court order.

(B) Nothing in this subsection shall be deemed to create, limit or otherwise affect the ability of the Grantee, if any, to impose other assessments, charges, fees or sums other than those permitted by this subsection, for the Grantee's other services or activities it performs in compliance with Applicable Law, including FCC law, rule or regulation.

(C) The Grantee's late fee and disconnection policies and practices shall be nondiscriminatory and such policies and practices, and any fees imposed pursuant to this subsection, shall apply equally in all parts of Grantor without regard to the neighborhood or income level of the Subscriber.

4.10 Force Majeure

In the event Grantee is prevented or delayed in the performance of any of its obligations under this Franchise by reason beyond the control of Grantee, Grantee shall have a reasonable time, under the circumstances, to perform the affected obligation under this Franchise or to procure a substitute for such obligation which is satisfactory to Grantor. Those conditions which are not within the control of Grantee include, but are not limited to, natural disasters, civil disturbances, work stoppages or labor disputes, power outages, telephone network outages, and severe or unusual weather conditions which have a direct and substantial impact on the Grantee's ability to provide Cable Services in the Franchise Area and which was not caused and could not have been avoided by the Grantee which used its best efforts in its operations to avoid such results.

If Grantee believes that a reason beyond its control has prevented or delayed its compliance with the terms of this Franchise, Grantee shall provide documentation as reasonably required by Grantor to substantiate the Grantee's claim. If Grantee has not yet cured the deficiency, Grantee shall also provide Grantor with its proposed plan for remediation, including the timing for such cure.

SECTION 5. FINANCIAL AND INSURANCE REQUIREMENTS

5.1 Indemnification

(A) General Indemnification. Grantee shall indemnify, defend and hold Grantor, its officers, officials, boards, commissions, agents, employees and volunteers, harmless from any action or claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses, arising from any casualty or accident to Person or property, including, without limitation, copyright infringement, defamation, and all other damages in any way arising out of, or by reason of, any construction, excavation, operation, maintenance, reconstruction, or any other act done under this Franchise, by or for Grantee, its agents, or its employees, or by reason of any neglect or omission of Grantee. Grantee shall consult and cooperate with Grantor while conducting its defense of Grantor. Grantee shall not be obligated to indemnify Grantor to the extent of Grantor's negligence or willful misconduct. However, should a court of competent jurisdiction determine that this Agreement is subject to RCW

4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Grantee and the Grantor, its officers, officials, employees, and volunteers, the Grantee's liability hereunder shall be only to the extent of the Grantee's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Grantee's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

(B) Indemnification for Relocation. Grantee shall indemnify Grantor for any damages, claims, documented additional costs or reasonable expenses assessed against, or payable by, Grantor arising out of, or resulting from, Grantee's failure to remove, adjust or relocate any of its facilities in the Rights-of-Way in a timely manner in accordance with a relocation required by Grantor. Grantee shall always be provided a minimum of thirty (30) days-notice to perform such relocation, except in the case of an emergency and therefore the obligation to indemnify would not apply.

(C) Additional Circumstances. Grantee shall also indemnify, defend and hold Grantor harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses in any way arising out of:

(1) The lawful actions of Grantor in granting this Franchise to the extent such actions are consistent with this Franchise and Applicable Law.

(2) Damages arising out of any failure by Grantee to secure consents from the owners, authorized distributors, or licensees/licensors of programs to be delivered by the Cable System, whether or not any act or omission complained of is authorized, allowed or prohibited by this Franchise.

(D) Procedures and Defense. If a claim or action arises, Grantor shall promptly tender the defense of the claim to Grantee, which defense shall be at Grantee's expense. Grantor may participate in the defense of a claim, but if Grantee provides a defense at Grantee's expense then Grantee shall not be liable for any attorneys' fees, expenses or other costs that Grantor may incur if it chooses to participate in the defense of a claim, unless and until separate representation as described below in Paragraph 5.1(F) is required. In that event the provisions of Paragraph 5.1(F) shall govern Grantee's responsibility for Grantor's attorneys fees, expenses or other costs. In any event, Grantee may not agree to any settlement of claims affecting Grantor without Grantor's approval.

(E) Non-waiver. The fact that Grantee carries out any activities under this Franchise through independent contractors shall not constitute an avoidance of or defense to Grantee's duty of defense and indemnification under this subsection.

(F) Expenses. If separate representation to fully protect the interests of both parties is or becomes necessary, such as a conflict of interest between Grantor and the counsel selected by Grantee to represent Grantor, Grantee shall pay, from the date such separate representation is required forward, all reasonable expenses incurred by Grantor in defending itself with regard to

any action, suit or proceeding indemnified by Grantee. Provided, however, that in the event that such separate representation is or becomes necessary, and Grantor desires to hire counsel or any other outside experts or consultants and desires Grantee to pay those expenses, then Grantor shall be required to obtain Grantee's consent to the engagement of such counsel, experts or consultants, such consent not to be unreasonably withheld. Grantor's expenses shall include all reasonable out-of-pocket expenses, such as consultants' fees, and shall also include the reasonable value of any services rendered by Grantor's Attorney or his/her assistants or any employees of Grantor or its agents but shall not include outside attorneys' fees for services that are unnecessarily duplicative of services provided Grantor by Grantee.

5.2 Insurance

(A) Grantee shall maintain in full force and effect at its own cost and expense each of the following policies of insurance:

(1) Commercial General Liability insurance with limits of no less than five million dollars (\$5,000,000.00) per occurrence and five million dollars (\$5,000,000.00) general aggregate. Coverage shall be at least as broad as that provided by the current ISO CG 00 01 or its equivalent and include severability of interests with respect to each additional insured. Such insurance shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract. There shall be no exclusion for liability arising from explosion, collapse or underground property damage. The Grantor shall be named as an additional insured under the Grantee's Commercial General Liability insurance policy with respect this Franchise Agreement using the current ISO endorsement CG 20 12 05 09.

(2) Commercial Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles, with a minimum combined single limit for bodily injury and property damage of five million dollars (\$5,000,000.00) per accident. The policy shall contain a severability of interests provision with respect to each additional insured.

(3) Excess or Umbrella Liability insurance shall be written with limits of not less than five million dollars (\$5,000,000) per occurrence and annual aggregate. The Excess or Umbrella Liability requirement and limits may be satisfied instead through Grantee's Commercial General Liability and Automobile Liability insurance, or any combination thereof that achieves the overall required limits. Such insurance shall name Grantor, its officers, officials and employees as additional insureds.

(B) The insurance shall provide for notice of cancellation in accordance with policy provisions. If the insurance is canceled or materially altered so as to be out of compliance with the requirements of this subsection within the term of this Franchise, Grantee shall provide notice of such cancellation or material alteration within two (2) business days of its receipt of such notice. Grantee shall additionally provide evidence of a replacement policy. Grantee agrees to maintain continuous uninterrupted insurance coverage, in at least the amounts required, for the duration of this Franchise and, in the case of the Commercial General Liability, for at least one (1) year after expiration of this Franchise.

(C) The Grantee shall cause each of its subcontractors to provide insurance coverage reasonably appropriate to the scope of each such subcontractor's work.

(D) Failure on the part of the Grantee to maintain the insurance as required shall constitute a material breach of this Agreement.

5.3 Deductibles / Certificate of Insurance

Any deductible of the policies shall not in any way limit Grantee's liability to Grantor.

(A) Endorsements.

(1) All commercial general, automobile, and umbrella excess liability policies required herein shall contain, or shall be endorsed so that:

(a) Grantor, its officers, officials, boards, commissions, and employees are to be covered as, and have the rights of, additional insureds with respect to liability for which the Grantee is responsible herein;

(b) Grantee's insurance coverage shall be primary insurance with respect to each additional insured. Any insurance or self-insurance maintained by the additional insured shall be in excess of the Grantee's insurance and shall not contribute to it with respect to liability for which the Grantee is responsible hereunder; and

(c) Grantee's insurance shall provide for severability of interest with respect to each additional insured.

(B) Acceptability of Insurers. The insurance obtained by Grantee shall be placed with insurers with a Best's rating of no less than "A: VII."

(C) Verification of Coverage. The Grantee shall furnish Grantor with certificates of insurance, evidencing the required endorsements, including but not limited to blanket additional insured status. The certificates are to be on standard forms or such forms as are consistent with standard industry practices.

(D) Adequacy of Limits and Coverage. It is agreed that these insurance requirements shall not in any way act to reduce or otherwise alter the liability of Grantee herein. No representation is made that the minimum insurance requirements of this Franchise are sufficient to cover the obligations of Grantee hereunder.

5.4 Letter of Credit

(A) If there is a claim by Grantor of an uncured breach by Grantee of a material provision of this Franchise or pattern of repeated violations of any provision(s) of this Franchise, then Grantor may require and Grantee shall establish and provide within thirty (30) days from receiving notice from Grantor, to Grantor as security for the faithful performance by Grantee of

all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to Grantor in the amount of fifty thousand dollars (\$50,000).

(B) In the event that Grantee establishes a letter of credit pursuant to the procedures of this Section, then the letter of credit shall be maintained fifty thousand dollars (\$50,000) until the allegations of the uncured breach have been resolved.

(C) After completion of the procedures set forth in Section 13.1 or other applicable provisions of this Franchise, the letter of credit may be drawn upon by Grantor for purposes including, but not limited to, the following:

(1) Failure of Grantee to pay Grantor sums due under the terms of this Franchise;

(4) SD Access Channels may require Subscribers to buy or lease special equipment, available to all Subscribers, and subscribe to those Tiers of Cable Service, upon

which SD Channels are made available. Grantee is not required to provide free SD equipment to Subscribers, nor modify its equipment or pricing policies in any manner.

For the purposes of this subsection, character-generated programming (i.e., community bulletin boards) shall not satisfy, in whole or in part, this programming requirement.

(2) Grantor shall be responsible for providing HD Access Channel signals in an HD digital format to the demarcation point at the designated point of origination for the HD Access Channels. For purposes of this Franchise, an HD signal refers to a television signal delivering picture resolution of either 720p or 1080i, or such other resolution in this same range that Grantee utilizes for other similar non-sport, non-movie programming channels on the Cable System, whichever is greater.

(3) Grantee shall transport and distribute the HD Access Channel signals on its Cable System and shall not discriminate against the HD Access Channels with respect to accessibility, functionality, and to the application of any applicable FCC Rules & Regulations. With respect to signal quality, Grantee shall not be required to carry the HD Access Channels in a higher quality format than that of the HD Access Channel signals delivered to Grantee, but Grantee shall distribute the HD Access Channel signals without degradation. Grantee shall carry all components of the HD Access Channel signals provided by the Designated Access Provider including, but not limited to, closed captioning, stereo audio and other elements associated with the Programming. Upon reasonable written request by Grantor, Grantee shall verify signal delivery to Subscribers with the Grantor, consistent with the requirements of this subsection 9.2(D).

which the HD Channels are made available. Grantee is not required to provide free HD equipment to Subscribers, nor modify its equipment or pricing policies in any manner.

(5) Grantor or any Designated Access Provider is responsible for acquiring all equipment necessary to produce programming in HD.

(6) The Designated Access Provider shall be responsible for providing the Access Channel signals in an HD format to the demarcation point at the designated point of origination for each Access Channel. (E) Grantee shall simultaneously carry the two (2) HD Access Channels provided for in Section 9.2(D) in high definition format on the Cable System, in addition to simultaneously carrying in standard definition format the SD Access Channels provided pursuant to Subsection 9.2(C).

(F) There shall be no restriction on Grantee's technology used to deploy and deliver SD or HD signals so long as the requirements of the Franchise are otherwise met. Grantee may implement HD carriage of the PEG channel in any manner (including selection of compression, utilization of IP, and other processing characteristics) that produces a signal quality for the consumer that is reasonably comparable and functionally equivalent to similar commercial HD channels carried on the Cable System. In the event Grantor believes that Grantee fails to meet this standard, Grantor will notify Grantee of such concern, and Grantee will respond to any complaints in a timely manner.

9.3 Access Channel Assignments

Grantee will use reasonable efforts to minimize the movement of SD and HD Access Channel assignments. Grantee shall also use reasonable efforts to institute common SD and HD Access Channel assignments among the served by the same Headend as Grantor for compatible Access programming, for example, assigning all Educational Access Channels programmed by higher education organizations to the same Channel number. In addition, Grantee will make reasonable efforts to locate HD Access Channels provided pursuant to Subsection 9.2(D) in a location on its HD Channel line-up that is easily accessible to Subscribers.

9.4 Relocation of Access Channels

Grantee shall provide Grantor a minimum of sixty (60) days' notice, and use its best efforts to provide one hundred and twenty (120) days' notice, prior to the time Public, Educational, and Governmental Access Channel designations are changed. Grantee, at Grantee's expense, will place the Grantor's notice of the Access Channel changes on or with its regular monthly billing, upon the Grantor's request. Such request shall be for one notice per occurrence of Access Channel changes, whether one or more channels are affected. Grantor shall be responsible for the costs of printing its notice which must conform to Grantee's reasonable mailing requirements and providing them to the Grantee. Grantee shall be provided an opportunity to review and approve

all Access bill insertions.

Upon ninety (90) days written notice from the Grantor, the PEG Contribution may be increased to up to fifty cents (\$0.50) per month per Residential Subscriber. Any written request by Grantor to increase the PEG Contribution from its then current level shall be effective ninety (90) days after the date of such written request. Grantee shall make PEG Contribution payments quarterly, following the effective date of this Franchise Agreement for the preceding quarter ending March 31, June 30, September 30, and December 31. Each payment shall be due and payable no later than forty-five (45) days following the end of the quarter. Grantor shall have sole discretion to allocate the expenditure of such payments for any capital costs related to PEG Access.

(B) During the term of this Franchise, Grantee may inquire of Grantor about the PEG Contribution being collected at that time. Upon Grantee's request, Grantor shall meet with Grantee to discuss issues related to the PEG Contribution in good faith and the parties may mutually agree to adjust the PEG fee accordingly.

9.6 Access Support Not Franchise Fees

Grantee agrees that capital support for Access Costs arising from or relating to the obligations set forth in this Section shall in no way modify or otherwise affect Grantee's obligations to pay Franchise Fees to Grantor. Grantee agrees that although the sum of Franchise Fees plus the payments set forth in this Section may total more than five percent (5%) of Grantee's Gross Revenues in any 12-month period, the additional commitments shall not be offset or otherwise credited in any way against any Franchise Fee payments under this Franchise Agreement so long as such support is used for capital Access purposes consistent with this Franchise and federal law.

9.7 Access Channels On Basic Service or Lowest Priced HD Service Tier

All SD Access Channels under this Franchise Agreement shall be included by Grantee, without limitation, as part of Basic Service. All HD Access Channels under this Franchise Agreement shall be included by Grantee, without limitation, as part of the lowest priced tier of HD Cable Service upon which Grantee provides HD programming content.

9.8 Change In Technology

In the event Grantee makes any change in the Cable System and related equipment and Facilities or in Grantee's signal delivery technology, which directly or indirectly affects the signal quality or transmission of Access services or programming, Grantee shall at its own expense take necessary technical steps or provide necessary technical assistance, including the acquisition of all necessary equipment, and full training of Grantor's Access personnel to ensure that the capabilities of Access services are not diminished or adversely affected by such change. If Grantor implements

a new video delivery technology that is not currently offered on and/or that cannot be accommodated by the Grantee's local Cable System, then Grantor shall be responsible for acquiring all necessary equipment, facilities, technical assistance, and training to deliver the signal to the Grantee's headend for distribution to subscribers.

9.9 Technical Quality

Grantee shall maintain all Upstream and Downstream Access services and Channels on its side of the demarcation point at the same level of technical quality and reliability required by this Franchise Agreement and all other applicable laws, rules and regulations for Residential Subscriber Channels. The purpose of this subsection shall be to allow cooperation in the use of Access and the application of any provision under this Section as Grantor in its sole discretion deems appropriate, and Grantee shall cooperate fully with, and in, any such arrangements by Grantor.

9.11 Return Lines/Access Origination

(A) Grantee shall maintain the return line from the existing Access origination site to the Headend in order to enable the distribution of Access programming to Subscribers on the Access Channels. To the extent that the return line upgrades are required in order to facilitate delivery of Access Programming in HD, such upgrades shall be completed within one (1) year of a written request from Grantor; provided however, that Grantee may recover the costs of such upgrades from Subscribers in the Franchise Area in accordance with Applicable Law and that in so doing the PEG Contribution does not exceed fifty (\$.50) cents in total. If such costs result in exceeding fifty (\$.50) cents then the Grantor shall reduce the existing PEG Contribution amount so as to allow for the recoupment of all upgrade costs without exceeding the cap of fifty (\$.50) cents over a period of three (3) years. Grantee shall continuously maintain the return line throughout the term of the Franchise, unless this location is no longer used in the future to originate Access programming or are not upgraded as part of the HD conversion. The existing return line facilities are noted as "exterior" to reflect a return line on the physical property but not extending into the building, or "interior" where the return line connection extends into the building itself.

(C) Notify the excavator that Grantee does not have any underground facilities in the vicinity of the proposed excavation.

10.11 Notice to Private Property Owners

Except in the case of an emergency involving public safety or service interruption to a large number of Subscribers, Grantee shall give at least three (3) days advance notice to private property owners or legal tenants of work on or adjacent to private property prior to entering upon private premises. Nothing herein shall be construed as authorizing access or entry to private property or any other property where such right to access or entry is not otherwise provided by law.

10.12 Underground Construction and Use of Poles

(A) When required by general ordinances, resolutions, regulations or rules of Grantor or applicable State or federal law, or Grantor project Grantee's Cable System shall be placed underground at Grantee's expense unless funding is generally available for such relocation to all

users of the Rights-of-Way. Placing facilities underground does not preclude the use of ground-mounted appurtenances.

(B) Where electric, telephone, and other above-ground utilities are installed underground at the time of Cable System construction, or when all such wiring is subsequently placed underground, all Cable System lines shall also be placed underground with other wireline service at no expense to Grantor or Subscribers unless funding is generally available for such relocation to all users of the Rights-of-Way. Related Cable System equipment, such as pedestals, must be placed in accordance with Grantor's applicable code requirements and rules. In areas where either electric or telephone utility wiring is aerial, the Grantee may install aerial cable, except when a property owner or resident requests underground installation and agrees to bear the additional cost in excess of aerial installation.

(C) The Grantee shall utilize existing poles wherever possible.

(D) In the event Grantee cannot obtain the necessary poles and related facilities pursuant to a pole attachment agreement, and only in such event, then it shall be lawful for Grantee to make all needed excavations in the Rights-of-Way for the purpose of undergrounding an extension of the Cable System or for placing, erecting, laying, maintaining, repairing, and removing poles, supports for wires and conductors, and any other facility needed for the maintenance or extension of Grantee's Cable System. Grantor will reasonably determine the most appropriate option between undergrounding and erecting new poles considering site specific details and availability of space in the Right-of-Way. If poles are used, all poles of Grantee shall be located as designated by the proper Grantor authorities. Grantor will determine if such poles and related facilities may be placed based on reasonable availability of space within the right of way.

(E) This Franchise does not grant, give or convey to the Grantee the right or privilege to install its facilities in any manner on specific utility poles or equipment of Grantor or any other Person.

(F) Grantee and Grantor recognize that situations may occur in the future where Grantor may desire to place its own cable or conduit for Fiber Optic cable in trenches or bores opened by the Grantee. Grantee agrees to cooperate with Grantor in any construction by the Grantee that involves trenching or boring, provided that Grantor has first notified the Grantee in some manner that it is interested in sharing the trenches or bores in the area where the Grantee's construction is occurring and Grantor enters into a contract with Grantee consistent with RCW 80.36.150, this Franchise and applicable provisions of Grantor's Code. Grantee shall allow Grantor to lay its cable, conduit and Fiber Optic cable in the Grantee's trenches and bores, provided there is reasonable space available and Grantor shares in the cost of the trenching and boring on the same terms and conditions as the Grantee or otherwise in accordance with Applicable Law. Grantor shall be responsible for maintaining its respective cable, conduit, vaults and Fiber Optic cable buried in the Grantee's trenches and bores under this paragraph.

(G) Where Grantor codes provide holders of building or development permits for planned developments within the Franchise Area to notify utilities and other similar service providers of availability of open trenches, it is the intent of Grantor that such requirements shall

include operators of cable systems in the list of entities required to be provided notice by the permit holder. In the event an underground conversion of cable facilities is required as part of the street improvement condition(s) of a new land use development, not associated with a Grantor designated capital improvement project, this Franchise shall in no way limit the Grantee's right to recoup all time and material costs associated with the underground conversion of the Cable System from the Person responsible for the project.

10.13 Prewiring

Any ordinance or resolution of Grantor which requires prewiring of subdivisions or other developments for electrical and telephone service shall be construed to include wiring for Cable Systems.

10.14 Repair and Restoration of Property

(A) The Grantee shall protect public and private property from damage, when performing work as it pertains to using the Right of Way. If damage is caused by Grantee, the Grantee shall promptly notify the property owner within twenty-four (24) hours in writing.

(B) Whenever Grantee disturbs or damages any Right-of-Way, other public property or any private property, Grantee shall promptly restore the Right-of-Way or property to at least its prior condition, normal wear and tear excepted, at its own expense.

(C) Rights-of-Way and Other Public Property. Grantee shall warrant any restoration work performed by or for Grantee in the Right-of-Way or on other public property in accordance with Applicable Law. If restoration is not satisfactorily performed by the Grantee within a reasonable time, Grantor may, after prior notice to the Grantee, or without notice where the disturbance or damage may create a risk to public health or safety, cause the repairs to be made and recover the cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, the Grantee shall pay Grantor.

(D) Private Property. Upon completion of the work which caused any disturbance or damage, Grantee shall promptly commence restoration of private property, and will use best efforts to complete the restoration within seventy-two (72) hours, considering the nature of the work that must be performed.

10.15 Acquisition of Facilities

Upon Grantee's acquisition of Cable System-related facilities in any Grantor Right-of-Way, or upon the addition to Grantor of any area in which Grantee owns or operates any such facility, Grantee shall, at Grantor's request, submit to Grantor a statement describing all such facilities located in the Right of Way, whether authorized by franchise, permit, license or other prior right, and specifying the location of all such facilities to the extent Grantee has possession of such information. Such Cable System-related facilities shall immediately be subject to the terms of this Franchise.

10.16 Discontinuing Use/Abandonment of Cable System Facilities

Whenever Grantee intends to discontinue using any facility within the Rights-of-Way, Grantee shall submit for Grantor's approval a complete description of the facility and the date on which Grantee intends to discontinue using the facility. Grantee may remove the facility or request that Grantor permit it to remain in place. Notwithstanding Grantee's request that any such facility remain in place, Grantor may require Grantee to remove the facility from the Right-of-Way or modify the facility to protect the public health, welfare, safety, and convenience, or otherwise serve the public interest at no cost to Grantor. Grantor may require Grantee to perform a combination of modification and removal of the facility. Grantee shall complete such removal or modification in accordance with a schedule set by Grantor. Until such time as Grantee removes or modifies the facility as directed by Grantor, or until the rights to and responsibility for the facility are accepted by another Person having authority to construct and maintain such facility, Grantee shall be responsible for all necessary repairs and relocations of the facility, as well as maintenance of the Right-of-Way, in the same manner and degree as if the facility were in active use, and Grantee shall retain all liability for such facility. If Grantee abandons its facilities, Grantor may choose to use such facilities for any purpose whatsoever including, but not limited to, Access purposes.

10.17 Movement of Cable System Facilities For Grantor Purposes

Grantor shall have the right to require Grantee to, at Grantor's request, relocate, remove, replace, modify or disconnect Grantee's facilities and equipment located in the Rights-of-Way or on any other property of Grantor for public purposes, in the event of an emergency; or when the public health, safety, or welfare requires such change. For example, without limitation, this movement of Grantee's facilities may be needed by public safety, Right-of-Way vacation, Right-of-Way construction, change or establishment of Right-of-Way grade, installation of sewers, drains, gas or water pipes, or any other types of structures or improvements by Grantor for public purposes. Such work shall be performed at Grantee's expense. Except when a shorter time is necessitated due to an emergency, Grantee shall, within sixty (60) days' written notice by Grantor, or such longer period as Grantor may specify, complete all work to temporarily or permanently relocate, remove, replace, modify, or disconnect any of its facilities and equipment located in the Rights-of-Way or on any other property of Grantor. In the event of any capital improvement project exceeding five hundred thousand dollars (\$500,000) in expenditures by Grantor, which requires the removal, replacement, modification, or disconnection of Grantee's facilities or equipment, Grantor shall provide at least one-hundred twenty (120) days' written notice to Grantee. Following notice by Grantor, if all users of the Right-of-Way relocate aerial facilities underground as part of an undergrounding project, Grantee shall participate in the planning for relocation of its aerial facilities contemporaneously with other utilities, if it desires to continue to occupy that particular Right of Way. If Grantor requires Grantee to relocate its facilities located within the Rights-of-Way, Grantor will work collaboratively with Grantee to identify available alternate locations within the Rights-of-Way for Grantee to relocate its facilities at Grantee's cost.

If Grantee fails to complete this work within the time prescribed above and to Grantor's satisfaction, Grantor may cause such work to be done and bill the cost of the work to Grantee. In such event, Grantor shall not be liable for any damage to any portion of Grantee's Cable System. Within forty-five (45) days of receipt of an itemized list of those costs, Grantee shall pay Grantor. In any event, if Grantee fails to timely relocate, remove, replace, modify or disconnect Grantee's

facilities and equipment, and that delay results in any damage claim against Grantor, Grantee shall be responsible to Grantor for documented costs of construction delays attributable to Grantee's failure to timely act. Grantee reserves the right to challenge any determination by Grantor of Grantee's responsibility for the delay and/or costs for construction delays related to an alleged failure to act in accordance with this subsection 10.17.

10.18 Movement of Cable System Facilities for Other Franchise Holders

If any removal, replacement, modification or disconnection of the Cable System is required to accommodate the construction, operation or repair of the facilities or equipment of another franchise holder, Grantee shall, after at least sixty (60) days' advance written notice, take action to effect the necessary changes requested by the responsible entity. Grantee may require that the costs associated with the removal or relocation be paid by the benefited party.

10.19 Temporary Changes for Other Permittees

At the request of any Person holding a valid permit and upon reasonable advance notice, Grantee shall temporarily raise, lower or remove its wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of such temporary changes must be paid by the permit holder, and Grantee may require a reasonable deposit of the estimated payment in advance. The cost of such temporary change may be charged by the Grantee to the permit holder, and Grantee may require the estimated payment in advance. Such payment is an exchange between the Grantee and the permittee and the Grantor will not be the administrator of these transactions.

10.20 Reservation of Grantor Use of Right-of-Way

Nothing in this Franchise shall prevent Grantor or public utilities owned, maintained or operated by public entities other than Grantor from constructing sewers; grading, paving, repairing or altering any Right-of-Way; laying down, repairing or removing water mains; or constructing or establishing any other public work or improvement. All such work shall be done, insofar as practicable, so as not to obstruct, injure or prevent the use and operation of Grantee's Cable System.

10.21 Tree Trimming

Trees shall be maintained per ANSI A300, Standard Practices for Trees, Shrubs and other Woody Plant Maintenance. Upon obtaining a written permit from Grantor, if such a permit is required, Grantee may prune or cause to be pruned, using proper pruning practices in accordance with such permit, any tree in the Rights-of-Way that interferes with the Cable System. The adjacent property owner shall be notified by the Grantee of the tree removal or trimming. All tree trimming shall be done at Grantee's sole cost and expense.

10.22 Stop Work

(A) On notice from Grantor that any work is being performed contrary to the provisions of this Franchise, or in an unsafe or dangerous manner as determined by Grantor, or in violation of the terms of any applicable permit, laws, regulations, ordinances, or standards, the work may immediately be stopped by Grantor.

- (B) The stop work order shall:
- (1) Be in writing;
 - (2) Be given to the Person doing the work, or posted on the work site;
 - (3) Be sent to Grantee by overnight delivery at the address given herein;
 - (4) Indicate the nature of the alleged violation or unsafe condition; and
 - (5) Establish conditions under which work may be resumed.

Grantee shall be liable for all costs incurred by Grantor and associated with Grantee's violation and Grantor's issuance of the stop work order. Grantee reserves the right to challenge any Grantor determination of Grantee's obligations under this Section.

10.23 Work of Contractors and Subcontractors

Grantee's contractors and subcontractors shall be licensed and bonded in accordance with Grantor's ordinances, regulations and requirements. Work by contractors and subcontractors is subject to the same restrictions, limitations and conditions as if the work were performed by Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and other Applicable Law, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Grantee's responsibility to ensure that contractors, subcontractors or other Persons performing work on Grantee's behalf are familiar with the requirements of this Franchise and other Applicable Law governing the work performed by them.

SECTION 11. CABLE SYSTEM, TECHNICAL STANDARDS AND TESTING

11.1 Subscriber Network

(A) Prior to the Effective Date of this Franchise, the parties acknowledge that Grantee undertook a voluntary upgrade of its Cable System to a hybrid fiber coaxial (HFC) fiber-to-the-node system architecture, with Fiber Optic cable deployed from its Headend to nodes and tying into a coaxial system serving Subscribers. The Cable System is now and shall throughout the term of this Franchise, deliver high quality signals that meet or exceed FCC technical quality standards regardless of any particular manner in which the signal is transmitted.

(B) Equipment must be installed so that all closed captioning programming received by the Cable System shall include the closed caption signal so long as the closed caption signal is provided consistent with FCC standards. Equipment must be installed so that all local signals received in stereo or with secondary audio tracks (broadcast and Access) are retransmitted in those same formats.

(C) All construction shall be subject to the City's permitting process.

(D) Grantee and the City shall meet, at the City's request, to discuss the progress of the design plan and construction.

(E) Grantee will take prompt corrective action if it finds that any facilities or equipment on the Cable System are not operating as expected, or if it finds that facilities and equipment do not comply with the requirements of this Franchise or Applicable Law.

(F) Grantee's construction decisions shall be based solely upon legitimate engineering decisions and shall not take into consideration the income level of any particular community within the Franchise Area.

11.2 Standby Power

Grantee's Cable System Headend shall be capable of providing at least twelve (12) hours of emergency operation. In addition, throughout the term of this Franchise, Grantee shall have a plan in place, along with all resources necessary for implementing such plan, for dealing with outages of more than four (4) hours. This outage plan and evidence of requisite implementation resources shall be presented to Grantor no later than thirty (30) days following receipt of a request.

11.3 Emergency Alert Capability

Grantee shall provide an operating Emergency Alert System ("EAS") throughout the term of this Franchise in compliance with FCC standards. Grantee shall test the EAS as required by the FCC. Upon request, Grantor shall be permitted to participate in and/or witness the EAS testing up to twice a year on a schedule formed in consultation with Grantee. If the test indicates that the EAS is not performing properly, Grantee shall make any necessary adjustment to the EAS, and the EAS shall be retested in accordance with Applicable Law.

11.4 Technical Performance

The technical performance of the Cable System shall meet or exceed all applicable federal (including but not limited to the FCC) technical standards, as they may be amended from time to time. Grantor shall have the full authority permitted by Applicable Law to enforce compliance with these technical standards.

11.5 Cable System Performance Testing

(A) Grantee shall maintain written records of all results of its Cable System tests performed by or for Grantee. Copies of such test results will be provided to Grantor upon reasonable request.

(B) Grantee shall perform any tests required by the FCC.

11.6 Additional Tests

Where there exists other evidence which in the judgment of Grantor casts doubt upon the

reliability or technical quality of Cable Service, Grantor shall have the right and authority to require Grantee to test, analyze and report on the performance of the Cable System. Grantee shall fully cooperate with Grantor in performing such testing and shall prepare the results and a report, if requested, within thirty (30) days after testing. Such report shall include the following information:

- (A) the nature of the complaint or problem which precipitated the special tests;
- (B) the Cable System component tested;
- (C) the equipment used and procedures employed in testing;
- (D) the method, if any, in which such complaint or problem was resolved; and
- (E) any other information pertinent to said tests and analysis which may be required.

SECTION 12. SERVICE AVAILABILITY

(A) In General. Except as otherwise provided herein, Grantee shall provide Cable Service within seven (7) days of a request by any Person within the Franchise Area. For purposes of this Section, a request shall be deemed made on the date of signing a service agreement, receipt of funds by Grantee, receipt of a written request by Grantee or receipt by Grantee of a verified verbal request. The seven (7) day requirement may be extended if underground construction permitting would preclude such connection within that time period. Except as otherwise provided herein, Grantee shall provide such service:

(1) With no line extension charge except as specifically authorized elsewhere in this Franchise Agreement.

(2) At a non-discriminatory installation charge for a standard installation, consisting of a 125 foot drop connecting to an inside wall for Residential Subscribers, with additional charges for non-standard installations computed according to a non-discriminatory methodology for such installations, adopted by Grantee and provided in writing to Grantor;

(3) At non discriminatory monthly rates for Residential Subscribers consistent with Section 4.2 above.

(B) Service to Multiple Dwelling Units. Consistent with this Section 12.1, the Grantee shall provide Cable Service to Multiple Dwelling Units in accordance with an agreement with the property owner or owners, this Franchise and all applicable laws.

(C) Customer Charges for Extensions of Service. Grantee agrees to extend its Cable System to all persons living in areas with a residential density of twenty five (25) residences per mile of aerial feet of trunk or distribution cable or sixty (60) residences per mile of underground trench feet of trunk or distribution cable. If the residential density is less than twenty five (25) residences per 5,280 aerial cable-bearing strand feet of trunk or distribution cable, or sixty (60) residences per mile

of underground trench feet of trunk or distribution cable, service may be made available on the basis of a capital contribution in aid of construction, including cost of material, labor and easements. For the purpose of determining the amount of capital contribution in aid of construction to be borne by the Grantee and customers in the area in which service may be expanded, the Grantee will contribute an amount equal to the construction and other costs per mile, multiplied by a fraction whose numerator equals the actual number of residences per 5,280 cable-bearing strand feet of its trunk or distribution cable and whose denominator equals twenty five (25) or sixty (60), as applicable. Customers who request service hereunder will bear the remainder of the construction and other costs on a pro rata basis. The Grantee may require that the payment of the capital contribution in aid of construction borne by such potential customers be paid in advance.

SECTION 13. FRANCHISE VIOLATIONS

13.1 Procedure for Remedying Franchise Violations

(A) If Grantor reasonably believes that Grantee has failed to perform any obligation under this Franchise or has failed to perform in a timely manner, Grantor shall notify Grantee in writing, stating with reasonable specificity the nature of the alleged default. Grantee shall have thirty (30) days from the receipt of such notice to:

(1) respond to Grantor, contesting Grantor's assertion that a default has occurred, and requesting a meeting in accordance with subsection (B), below;

(2) cure the default; or,

(3) notify Grantor that Grantee cannot cure the default within the thirty (30) days, because of the nature of the default. In the event the default cannot be cured within thirty (30) days, Grantee shall promptly take all reasonable steps to cure the default and notify Grantor in writing and in detail as to the exact steps that will be taken and the projected completion date. In such case, Grantor may set a meeting in accordance with subsection (B) below to determine whether additional time beyond the thirty (30) days specified above is indeed needed, and whether Grantee's proposed completion schedule and steps are reasonable.

(B) If Grantee does not cure the alleged default within the cure period stated above, or by the projected completion date under subsection (A)(3), or denies the default and requests a meeting in accordance with (A)(1), or Grantor orders a meeting in accordance with subsection (A)(3), Grantor shall set a meeting to investigate said issues or the existence of the alleged default. Grantor shall notify Grantee of the meeting in writing and such meeting shall take place no less than thirty (30) days after Grantee's receipt of notice of the meeting. At the meeting, Grantee shall be provided an opportunity to be heard and to present evidence in its defense.

(C) If, after the meeting, Grantor determines that a default exists, Grantor shall order Grantee to correct or remedy the default or breach within fifteen (15) days or within such other reasonable time frame as Grantor shall determine. In the event Grantee does not cure within such time to Grantor's reasonable satisfaction, Grantor may:

- (1) Withdraw an amount from the letter of credit as monetary damages;
 - (2) Recommend the revocation of this Franchise pursuant to the procedures in subsection 13.4; or,
 - (3) Recommend any other legal or equitable remedy available under this Franchise or any Applicable Law.
- (D) The determination as to whether a violation of this Franchise has occurred shall be within the discretion of Grantor, provided that any such final determination may be subject to appeal to a court of competent jurisdiction under Applicable Law.

13.2 Alternative Remedies

No provision of this Franchise shall be deemed to bar the right of Grantor to seek or obtain judicial relief from a violation of any provision of the Franchise or any rule, regulation, requirement or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of Grantor to recover monetary damages for such violations by Grantee, or to seek and obtain judicial enforcement of Grantee's obligations by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity.

13.3 Assessment of Monetary Damages

(A) Subject to the terms of this Franchise, Grantor may assess against Grantee monetary damages (i) up to five hundred dollars (\$500.00) per day for general construction delays, (ii) up to two hundred fifty dollars (\$250.00) per day for violations of PEG obligations, payment obligations or any other material breaches, or (iii) up to one hundred dollars (\$100.00) per day for defaults, and withdraw the assessment from the letter of credit or collect the assessment as specified in this Franchise. Damages pursuant to this Section shall accrue for a period not to exceed one hundred twenty (120) days per violation proceeding. To assess any amount from the letter of credit, Grantor shall follow the procedures for withdrawals from the letter of credit set forth in the letter of credit and in this Franchise. Such damages shall accrue beginning thirty (30) days following Grantee's receipt of the notice required by subsection 13.1(A), or such later date if approved by Grantor in its sole discretion, but may not be assessed until after the procedures in subsection 13.1 have been completed.

(B) The assessment does not constitute a waiver by Grantor of any other right or remedy it may have under the Franchise or Applicable Law, including its right to recover from Grantee any additional damages, losses, costs and expenses that are incurred by Grantor by reason of the breach of this Franchise.

13.4 Revocation

(A) Grantor may revoke this Franchise and rescind all rights and privileges associated with this Franchise in the following circumstances, each of which represents a material breach of this Franchise:

(1) If Grantee fails to perform any material obligation under this Franchise or under any other agreement, ordinance or document regarding Grantor and Grantee;

(2) Grantee abandons the Cable System, or terminates the Cable System's operations;

(3) Grantee fails to restore service to the Cable System after three consecutive days of an outage or interruption in service; except in the case of an emergency or during a Force Majeure occurrence, or when approval of such outage or interruption is obtained from the Grantor, it being the intent that there shall be continuous operation of the Cable System); or

(4) If Grantee attempts to evade any material provision of this Franchise or to practice any fraud or deceit upon Grantor or Subscribers; or

(5) If Grantee becomes insolvent, or if there is an assignment for the benefit of Grantee's creditors;

(6) If Grantee makes a material misrepresentation of fact in the application for or negotiation of this Franchise.

(B) Following the procedures set forth in subsection 13.1 and prior to forfeiture or termination of the Franchise, Grantor shall give written notice to the Grantee of its intent to revoke the Franchise and set a date for a revocation proceeding. The notice shall set forth the exact nature of the noncompliance.

(C) If there is a foreclosure or other involuntary sale of the whole or any part of the plant, property and equipment of Grantee, Grantor may serve notice of revocation on Grantee and to the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be revoked thirty (30) days after service of such notice, unless:

(1) Grantor has approved the transfer of the Franchise, in accordance with the procedures set forth in this Franchise and as provided by law; and

(2) The purchaser has covenanted and agreed with Grantor to assume and be bound by all of the terms and provisions of this Franchise.

(D) Any proceeding under the paragraph above shall be conducted by the City Council and open to the public. Grantee shall be afforded at least forty-five (45) days prior written notice of such proceeding.

(1) At such proceeding, Grantee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel, to introduce evidence, and to question witnesses. A complete verbatim record and transcript shall be made of such proceeding and the cost shall be shared equally between the parties. The City Council shall hear any Persons interested in the revocation, and shall allow Grantee, in particular,

an opportunity to state its position on the matter.

(2) Within ninety (90) days after the hearing, the City Council shall determine whether to revoke the Franchise and declare that the Franchise is revoked and the letter of credit forfeited; or if the breach at issue is capable of being cured by Grantee, direct Grantee to take appropriate remedial action within the time and in the manner and on the terms and conditions that the City Council determines are reasonable under the circumstances. If Grantor determines that the Franchise is to be revoked, Grantor shall set forth the reasons for such a decision and shall transmit a copy of the decision to the Grantee. Grantee shall be bound by Grantor's decision to revoke the Franchise unless it appeals the decision to a court of competent jurisdiction within fifteen (15) days of the date of the decision.

(3) Grantee shall be entitled to such relief as the Court may deem appropriate.

(4) The City Council may at its sole discretion take any lawful action which it deems appropriate to enforce Grantor's rights under the Franchise in lieu of revocation of the Franchise.

13.5 Procedures in the Event of Termination or Revocation

(A) If this Franchise expires without renewal after completion of all processes available under this Franchise and federal law or is otherwise lawfully terminated or revoked, Grantor may, subject to Applicable Law:

(1) Allow Grantee to maintain and operate its Cable System on a month-to-month basis or short-term extension of this Franchise for not less than six (6) months, unless a sale of the Cable System can be closed sooner or Grantee demonstrates to Grantor's satisfaction that it needs additional time to complete the sale; or

(2) Purchase Grantee's Cable System in accordance with the procedures set forth in subsection 13.4, below.

(B) In the event that a sale has not been completed in accordance with subsections (A)(1) and/or (A)(2) above, Grantor may order the removal of the above-ground Cable System facilities and such underground facilities from Grantor at Grantee's sole expense within a reasonable period of time as determined by Grantor. In removing its plant, structures and equipment, Grantee shall refill, at its own expense, any excavation that is made by it and shall leave all Rights-of-Way, public places and private property in as good condition as that prevailing prior to Grantee's removal of its equipment without affecting the electrical or telephone cable wires or attachments. The indemnification and insurance provisions and the letter of credit shall remain in full force and effect during the period of removal, and Grantee shall not be entitled to, and agrees not to request, compensation of any sort therefore.

(C) If Grantee fails to complete any removal required by subsection 13.3 (B) to Grantor's satisfaction, after written notice to Grantee, Grantor may cause the work to be done and Grantee shall reimburse Grantor for the costs incurred within thirty (30) days after receipt of an itemized list of the costs, or Grantor may recover the costs through the letter of credit provided by

Grantee.

(D) Grantor may seek legal and equitable relief to enforce the provisions of this Franchise.

13.6 Purchase of Cable System

(A) If at any time this Franchise is revoked, terminated, or not renewed upon expiration in accordance with the provisions of federal law, Grantor shall have the option to purchase the Cable System.

(B) Grantor may, at any time thereafter, offer in writing to purchase Grantee's Cable System. Grantee shall have thirty (30) days from receipt of a written offer from Grantor within which to accept or reject the offer.

(C) In any case where Grantor elects to purchase the Cable System, the purchase shall be closed within one hundred twenty (120) days of the date of Grantor's audit of a current profit and loss statement of Grantee. Grantor shall pay for the Cable System in cash or certified funds, and Grantee shall deliver appropriate bills of sale and other instruments of conveyance.

(D) For the purposes of this subsection, the price for the Cable System shall be determined as follows:

(1) In the case of the expiration of the Franchise without renewal, at fair market value determined on the basis of Grantee's Cable System valued as a going concern, but with no value allocated to the Franchise itself. In order to obtain the fair market value, this valuation shall be reduced by the amount of any lien, encumbrance, or other obligation of Grantee which Grantor would assume.

(2) In the case of revocation for cause, the equitable price of Grantee's Cable System.

13.7 Receivership and Foreclosure

(A) At the option of Grantor, subject to Applicable Law, this Franchise may be revoked one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of Grantee whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless:

(1) The receivership or trusteeship is vacated within one hundred twenty (120) days of appointment; or

(2) The receivers or trustees have, within one hundred twenty (120) days after their election or appointment, fully complied with all the terms and provisions of this Franchise, and have remedied all defaults under the Franchise. Additionally, the receivers or trustees shall have executed an agreement duly approved by the court having jurisdiction, by which the receivers or trustees assume and agree to be bound by each and

every term, provision and limitation of this Franchise.

(B) If there is a foreclosure or other involuntary sale of the whole or any part of the plant, property and equipment of Grantee, Grantor may serve notice of revocation on Grantee and to the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be revoked thirty (30) days after service of such notice, unless:

(1) Grantor has approved the transfer of the Franchise, in accordance with the procedures set forth in this Franchise and as provided by law; and

(2) The purchaser has covenanted and agreed with Grantor to assume and be bound by all of the terms and conditions of this Franchise.

13.8 No Monetary Recourse Against Grantor

Grantee shall not have any monetary recourse against Grantor or its officers, officials, boards, commissions, agents or employees for any loss, costs, expenses or damages arising out of any provision or requirement of this Franchise or the enforcement thereof, in accordance with the provisions of applicable federal, State and local law. The rights of Grantor under this Franchise are in addition to, and shall not be read to limit, any immunities Grantor may enjoy under federal, State or local law.

13.9 Effect of Abandonment

If the Grantee abandons its Cable System during the Franchise term, or fails to operate its Cable System in accordance with its duty to provide continuous service, Grantor, at its option, may operate the Cable System; designate another entity to operate the Cable System temporarily until the Grantee restores service under conditions acceptable to Grantor, or until the Franchise is revoked and a new franchisee is selected by Grantor; or obtain an injunction requiring the Grantee to continue operations. If Grantor is required to operate or designate another entity to operate the Cable System, the Grantee shall reimburse Grantor or its designee for all reasonable costs, expenses and damages incurred.

13.10 What Constitutes Abandonment

Grantor shall be entitled to exercise its options in subsection 13.9 if:

(A) The Grantee fails to provide Cable Service in accordance with this Franchise over a substantial portion of the Franchise Area for three (3) consecutive days, unless there is a situation constituting Force Majeure or Grantor authorizes a longer interruption of service; or

(B) The Grantee, for any period, willfully and without cause refuses to provide Cable Service in accordance with this Franchise.

SECTION 14. FRANCHISE RENEWAL AND TRANSFER

14.1 Renewal

(A) Grantor and Grantee agree that any proceedings undertaken by Grantor that relate to the renewal of the Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, unless the procedures and substantive protections set forth therein shall be deemed to be preempted and superseded by the provisions of any subsequent provision of federal or State law.

(B) In addition to the procedures set forth in said Section 626(a), Grantor agrees to notify Grantee of the completion of its assessments regarding the identification of future cable-related community needs and interests, as well as the past performance of Grantee under the then current Franchise term. Notwithstanding anything to the contrary set forth herein, Grantee and Grantor agree that at any time during the term of the then current Franchise, while affording the public adequate notice and opportunity for comment, Grantor and Grantee may agree to undertake and finalize negotiations regarding renewal of the then current Franchise and Grantor may grant a renewal thereof. Grantee and Grantor consider the terms set forth in this subsection to be consistent with the express provisions of Section 626 of the Cable Act.

(C) Should the Franchise expire without a mutually agreed upon renewed Franchise Agreement and Grantee and Grantor are engaged in an informal or formal renewal process, the Franchise shall continue on a month-to-month basis, with the same terms and conditions as provided in the Franchise, and the Grantee and Grantor shall continue to comply with all obligations and duties under the Franchise.

14.2 Transfer of Ownership or Control

(A) The Cable System and this Franchise shall not be sold, assigned, transferred, leased or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger or consolidation; nor shall title thereto, either legal or equitable, or any right, interest or property therein pass to or vest in any Person or entity without the prior written consent of Grantor, which consent shall be by the City Council, acting by ordinance/resolution.

(B) The Grantee shall promptly notify Grantor of any actual or proposed change in, or transfer of, or acquisition by any other party of control of the Grantee. The word "control" as used herein is not limited to majority stockholders but includes actual working control in whatever manner exercised. Every change, transfer or acquisition of control of the Grantee shall make this Franchise subject to cancellation unless and until shall have consented in writing thereto.

(C) The parties to the sale or transfer shall make a written request to Grantor for its approval of a sale or transfer and furnish all information required by law and Grantor.

(D) In seeking Grantor's consent to any change in ownership or control, the proposed transferee shall indicate whether it:

(1) Has ever been convicted or held liable for acts involving deceit including any violation of federal, State or local law or regulations, or is currently under an indictment, investigation or complaint charging such acts;

(2) Has ever had a judgment in an action for fraud, deceit, or misrepresentation entered against the proposed transferee by any court of competent jurisdiction;

(3) Has pending any material legal claim, lawsuit, or administrative proceeding arising out of or involving a cable system or a broadband system;

(4) Is financially solvent, by submitting financial data including financial statements that are audited by a certified public accountant who may also be an officer of the transferee, along with any other data that Grantor may reasonably require; and

(5) Has the financial, legal and technical capability to enable it to maintain and operate the Cable System for the remaining term of the Franchise.

(E) Grantor shall act by ordinance on the request within one hundred twenty (120) days of the request, provided it has received all information required by this Franchise and/or by Applicable Law. Grantor and the Grantee may by mutual agreement, at any time, extend the 120 day period. Subject to the foregoing, if Grantor fails to render a final decision on the request within one hundred twenty (120) days, such request shall be deemed granted unless the requesting party and Grantor agree to an extension of time.

(F) Within thirty (30) days of any transfer or sale, if approved or deemed granted by Grantor, Grantee shall file with Grantor a copy of the deed, agreement, lease or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by Grantee and the transferee, and the transferee shall file its written acceptance agreeing to be bound by all of the provisions of this Franchise, subject to Applicable Law. In the event of a change in control, in which the Grantee is not replaced by another entity, the Grantee will continue to be bound by all of the provisions of the Franchise, subject to Applicable Law, and will not be required to file an additional written acceptance.

(G) In reviewing a request for sale or transfer, Grantor may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and Grantee shall assist Grantor in so inquiring. Grantor may condition said sale or transfer upon such terms and conditions as it deems reasonably appropriate, in accordance with Applicable Law.

(H) Notwithstanding anything to the contrary in this subsection, the prior approval of Grantor shall not be required for any sale, assignment or transfer of the Franchise or Cable System to an entity controlling, controlled by or under the same common control as Grantee, provided that the proposed assignee or transferee must show financial responsibility as may be determined necessary by Grantor and must agree in writing to comply with all of the provisions of the Franchise. Further, Grantee may pledge the assets of the Cable System for the purpose of financing without the consent of Grantor; provided that such pledge of assets shall not impair or mitigate Grantee's responsibilities and capabilities to meet all of its obligations under the provisions of this Franchise.

SECTION 15. SEVERABILITY

If any Section, subsection, paragraph, term or provision of this Franchise is determined to be illegal, invalid or unconstitutional by any court or agency of competent jurisdiction, such determination shall have no effect on the validity of any other Section, subsection, paragraph, term or provision of this Franchise, all of which will remain in full force and effect for the term of the Franchise.

FISCAL NOTE: TCOMM operations and support is funded by 2/10 of a percent sales and use tax.

PRIOR REVIEW: January 26, 2021 General Government and Public Safety Committee

BACKGROUND:

In May 2018, the TCOMM 911 (TCOMM) Administration Board set a goal for the Executive Director of TCOMM to review the agency bylaws and Intergovernmental Agreement to address the ability of the agency to incur debt for the purpose of purchasing a new radio system. A working group was established comprised of members from both TCOMM Administration and Operations Board. In November 2019, TCOMM proposed an Emergency Communications Sales/Use Tax Measure that would fund replacements and upgrades for Thurston County's primary emergency communication system. The voters approved the measure by 73%.

The Thurston 911 Communications Intergovernmental Agreement was established in 1995. All parties to the agreement benefit both in terms of efficiency and economy from a consolidated communications system providing service to Thurston County and the cities, fire protection districts and regional fire authorities within Thurston County. Due to suggested changes from the working group to the original interlocal agreement, TCOMM is requesting a review and approval of amended Thurston TCOMM Intergovernmental Agreement from each member.

Proposed amendments have gone through legal review, and is now being consider by all parties of the agreement.

The General Government and Public Safety Committee reviewed the amended TCOMM agreement at its January 26, 2021, meeting and recommended approval to the full Council.

ADVANTAGES:

1. Recognizes funding from 2019 voter approved measure of an additional 1/10 of a percent sales and use tax supporting TCOMM operations.
2. Amendments also clarify and further define duties and authority of TCOMM.

DISADVANTAGES:

1. None

~~SCHEDULE I~~
~~INITIAL FUNDING FORMULA~~

~~This formula is to be utilized to determine member agency assessments as approved by the Thurston County Department of Communications Administration Board. Approved member agency assessments are determined by applying this formula after deducting the projected revenues from the sales and use taxes, 9-1-1 taxes, grants, contracts member agency and non-member agency service fees from the total budget.~~

~~**Definition:** "Call(s) for Service," herein referred to as "CFS" shall refer to an event that occurs within a specific jurisdiction that is tracked by the Department through manual or automated means.~~

~~**I. Base Formula.** Member agency assessments shall be determined as follows: The basic formula apportionment between law enforcement and fire service agencies is based upon the number of "Service Specific" dispatch positions in the center for law enforcement compared to fire service, and any service specific recurring costs~~

~~Base Formula Calculation:~~

<u>Year</u>	<u>Law Enforcement</u>	<u>Fire/Medic One</u>
2011 & Beyond	67%	33.0%

~~Any "Service Specific", non-recurring service costs will be the responsibility of the service that benefits from that project. Non-recurring projects will not affect the base formula calculation. The funding formula within the service affected shall be used to determine agency costs.~~

~~All "Common Support Function" costs, made up of the following: personnel, including Administration, Supervisor, Technical, and Telecommunicator, as well as Maintenance and Operations costs, will be apportioned between law enforcement and fire/EMS services agencies utilizing the base formula above. These common costs will be added to the service specific costs for the total costs to law enforcement and fire/EMS.~~

~~A. Law Enforcement Funding. Law enforcement costs shall be 67% of the total base member agency assessments. Law enforcement agency specific costs are determined by using calls for service (CFS) and population.~~

~~1. Determine the percentage of Tac 1 CFS, Tac 2 CFS, and Tac 9 CFS to the overall total law enforcement CFS. These percentages are then applied to the total law enforcement contribution to obtain a Tac 1 share, Tac 2 share, and Tac 9 share.~~

~~2. Calculate each agency's percentage of population to the total population within their respective radio group (Tac 1 group, Tac 2 group, Tac 9 group) to determine their member agency assessment from the total shares in #1 above.~~

~~B. Fire/EMS Funding. Fire/EMS costs shall be 33% of the total base member agency assessments.~~

~~1. Fire Funding. Fire service agency specific costs are 33% of the total fire/EMS member agency assessments, and are allocated to agencies by using the total number of fire CFS for service averaged over a 5 year period.~~

~~2. Medic One Funding. Medic One costs are 67% of the total fire/EMS member agency assessments.~~

ACTION: INFORMATION ONLY

In response to the COVID pandemic, the Timberland Regional Library (TRL) has increased funding in the amount of \$850,000 for physical items and online content including social media and YouTube channels. There currently is a 20 to 40% increase in online resource usage.

TRL has very strong relationships with local school districts. North Thurston Public Schools was the first that were issued numbers to all students through their Skyward software to assist with homework help and resources. They are now part of the Workforce system supporting wraparound services for job seekers and small business owners.

The demonstration library site in Hawks Prairie fell through and TRL is now working with the City to find a new location, preferably in northeast Lacey.

The Lacey Library remodel was originally set for fall of 2020 but began in the summer as a result of the pandemic. Adjustable and moveable service desks have been added to the checkout area, a new family restroom was installed, new checkout machines, and furniture. Improvements for the exterior takeout windows are complete.

The Thurston 911 Communications IGA was established in 1995. All parties to the agreement benefit both in terms of efficiency and economy from a consolidated communications system providing service to Thurston County and the cities, fire protection districts and regional fire authorities within Thurston County. Due to suggested changes from the working group to the original IGA, TCOMM is requesting a review and approval of the amended IGA from each member.

Proposed amendments have gone through legal review and now being considered by all parties of the agreement.

ADOPTION OF THE 2018 SERIES OF BUILDING CODES

STAFF: WADE DUFFY, BUILDING OFFICIAL AND FIRE MARSHALL

ACTION: INFORMATION ONLY

Historically, every three years, the International Building Code, International Fire Code, International Residential Code and all other codes that are officially adopted by the City are updated on a national level by the International Building Code Council and by the State Building Code Council on a state level. Once the State Building Code Council has completed their review, amendments and adoption of the International Code series to reflect the State's goals, local jurisdictions must then adopt the updated codes for local implementation.

The official date of adoption of the 2018 international series of codes has been pushed back to February 1, 2021 due to delays in code development and COVID-19.

The purpose of this initial General Government meeting is to brief the committee on the substantial changes made to the above mentioned codes, provide options for local amendments and highlight minor language revisions to Chapter 14 of the LMC to reflect the current codes.

Once these amendments are published and reviewed by the building department, a final ordinance will be brought forward to the City Council for adoption.

In addition, as part of the three year code cycle and code adoption process, the City, at Council's discretion, has the option to adopt one or more Appendices which are supplementary codes located in the back of the code books. These supplemental codes are not adopted on the state level. The intent and purpose of these Appendices is to provide additional useful code language to the local authorities if and when the applicable Appendix meets the goals of their jurisdiction. Examples include solar ready provisions, tiny houses, and additional fire code requirements.

The following are codes proposed for adoption:
